

My.ral-diagnostics.fr

User Guide

WHAT IS THE TECHNICAL DOCUMENT PLATFORM?

MyRALdiagnostics is a single point of access to our technical documents (MSDS,IFUs, etc...) available 24/7.

You will also find Training & Support materials to help you use our instruments and stains and the possibility to register your RAL Stainer.

This tool has been created to facilitate your access to our technical files, making them easier to download and manage.

WHY REGISTER?

- Access and download technical documents, such as MSDS and Instructions for Use
- Stay updated with automatic document subscriptions
- Access your download history on your personal account
- Documents available in 32 languages
- Responsive design that enables browsing for documents from your mobile device

HOW TO REGISTER?

To access the platform and download documents, you must create an account.

Here's how you do it:

1. Go to the [registration page](#)
2. Fill in your details
3. Verify your email address
4. You're all set to access the platform and download documents

You can also get access on cellavision.com/products/reagents via the link at the bottom of the Reagents page

HOMEPAGE

RESEARCH

Search all accessible documents using the keyword search.

You can search with a reference product (ex:360000) or a batch number (for CoA).

2/11

Research: Batch number / Reference

 Enter keyword, reference, batch number

Safety data sheets

Training and support

Reagent instructions

Instrument instructions

Certificates of analyses

Narrow down your search results by filtering based on product, document type, and more.

MY SUBSCRIPTIONS

The screenshot shows a user interface with a dark grey background. At the top left, the word 'CELL' is partially visible. At the top right, there are language options: '[FR] Français [EN] Eng'. A user profile dropdown menu is open, showing the following items:

- My profile** (with a dropdown arrow and a notification badge '1')
- My account** (with a person icon) - Display informations about my account
- My subscriptions** (with a bell icon) - Display downloaded files (this item is highlighted with an orange rounded rectangle)
- Display new versions** (with a notification badge '1') - Display updated files
- Log out** (with a right-pointing arrow)

Below the dropdown menu, there are several navigation buttons with icons and text labels:

- Safety data sheets (with a warning triangle icon)
- Instrument instructions (with a test tube icon)
- Certificates of analyses (with a person icon)
- Training videos (with a graduation cap icon)
- Regulations (with a ribbon icon)

A callout box on the left side of the screenshot contains the text: "You will find all the documents you downloaded in your profile, 'My Subscriptions'." Below this text is the number "6/11".

You are a default subscriber.

You can unsubscribe at any time or download the file again.
